

How to send an email referral

Tap the

Enter the email address of the person you want to refer and enter your name.

Optional, enter a message that will be added to both emails
ex: Give John a call at 555-5555.

Hit send.

A white envelope icon with a grey shadow, representing an email being sent to the referred person.

The person being referred receives an email with your contact information, short sales pitch, etc.

A white envelope icon with a grey shadow, representing an email being sent to the user.

You receive an email telling you who sent the referral and has the email address of the person they referred.
